THE INSTRUCTOR for this training course will be investigator David Newman (RET) from the Norfolk Police Department in Virginia. Investigator Newman began his career in law-enforcement in 1984 and retired from Norfolk in late 2008. His experience with the Norfolk P.D. includes over 15 years in the bureau serving in homicide & forensics and involvement in over 500 death investigations and high profile homicides. While serving in forensics he has investigated over 2500 cases including an additional 65 homicide investigations and over 500 crime scenes. Investigator Newman received his Bachelor's Degree from Old Dominion University in 1986 in Criminal Justice, and has lectured several hundred hours to law enforcement agencies at all levels across the country on the topic of homicide investigation and its related forensic applications. His courses have been taught in conjunction with the Virginia State Division of Forensic Science and the Office of the Chief Medical Examiner. Investigator Newman has also instructed basic and advanced forensics at Thomas Nelson College in Virginia, equivocal death scenes at the Virginia State Division of Forensic Science, and is a qualified expert in death investigation and its related forensic fields. His expertise in crime scene management through development of standard operating procedures have been adopted by several agencies across the country with great success. Inv. David Newman continues to provide aid in cold cases, 911 analysis and expert courtroom testimony resulting in over 30 years of experience.

Certifications include LETAC, Missouri and Kansas POST, MCOLES, Florida Bar Association, TCLEOSE, ILEA, Virginia DCJS, Minnesota Post & Illinois Law Enforcement Training & Standards Board for Lead Detective

Inside the Tape has been committed to providing quality training to law-enforcement agencies since 2001 without raising tuition rates or cancelling classes. We have added more in depth topics and several new case reviews to our program which continues to receive high marks from law enforcement agencies at all levels across the country, and has been used as a model for homicide scene management by agencies such as the Cincinnati, Austin, Detroit, Atlanta and St Paul Police in Minnesota. Several agencies contract our program out for in-service training and have implemented our methodologies and crime scene management principles with great success resulting in higher clearance and conviction rates. Our courses have also been certified by the Illinois Law Enforcement Training and Standards Board by the Law and Justice Commission as required training to serve as a lead detective in the state, State of Michigan MCOLES & the State of Missouri Peace Officers Standards and Training Program.
